

Contents

New Series, Vol. XLIII, No. 169 January 1974

| | |
|---|-----|
| The Treatment of Porphyria Cutanea Tarda by Venesection. By C. A. Ramsay, I. A. Magnus, Adam Turnbull, and Harvey Baker | 1 |
| Nodular Regenerative Hyperplasia of the Liver in Felty's Syndrome. By L. M. Blendis, M. C. Parkinson, K. B. Shilkin, and Roger Williams | 25 |
| Familial Lipotrophic Diabetes with Dominant Transmission. By M. G. Dunnigan, M. A. Cochrane, A. Kelly, and J. W. Scott | 33 |
| Parkinson's Disease, Cerebral Arteriosclerosis, and Senile Dementia. By J. D. Parkes, C. D. Marsden, J. E. Rees, G. Curzon, B. D. Kantamaneni, R. Knill-Jones, A. Akbar, S. Das, and M. Kataria | 49 |
| Triglyceride Storage Disease. By D. J. Galton, C. Gilbert, J. P. D. Reckless, and J. Kaye | 63 |
| Mathematical Models for the Diagnosis of Liver Disease. By Patricia M. Fraser and D. A. Franklin | 73 |
| Mineral and Trace-Metal Balances in Children Receiving Normal and Synthetic Diets. By F. W. Alexander, Barbara E. Clayton, and H. T. Delves | 89 |
| Brittle Diabetes. By Samuel Oleesky, David R. Shreeve, and C. H. Sutcliffe | 113 |
| Amyloid in the Thyroid. By J. S. Kennedy, J. A. Thomson, and W. M. Buchanan | 127 |
| Long-term Diabetes. By W. G. Oakley, D. A. Pyke, R. B. Tattersall, and P. J. Watkins | 145 |

No. 170, April 1974

| | |
|--|-----|
| Jejunal Mucosal Recovery in Goeliac Disease in Relation to the Degree of Adherence to a Gluten-free Diet. By A. S. Dissanayake, S. C. Truelove, and R. Whitehead | 161 |
| White-cell Antibodies and the Aetiology of Felty's Syndrome. By F. D. Rosenthal, J. M. Beeley, K. Gelsthorpe, and R. W. Doughty | 187 |
| Benefits of Hospitalization in Rheumatoid Arthritis. By Peter Lee, Alistair C. Kennedy, John Anderson, and W. Watson Buchanan | 205 |
| Cardio-pulmonary Function of Congested Lungs. By W. A. Crosbie and V. Parsons | 215 |

| | |
|---|-----|
| Studies on Pyrimidine Biosynthesis in the Granulocytes of Patients Receiving Gold Therapy for Rheumatoid Arthritis. By W. J. Westwick, J. Allsop, J. M. Gumpel, and R. W. E. Watts | 231 |
| Abnormalities of <i>in vitro</i> Thyroid Function in Renal Disease. By A. Joasoo, I. P. C. Murray, J. Parkin, M. R. Robertson, and D. Jeremy | 245 |
| Biliary Tract Carcinoma Associated with Ulcerated Colitis. By Jean K. Ritchie, R. N. Allan, J. Macartney, H. Thompson, P. R. Hawley, and W. T. Cooke | 263 |
| Pingueculae—An Association with Renal Failure. By S. L. Cohen, A. Gorchein John A. Hayward, J. K. Kennerley-Bankes, Aviva Petrie, K. A. Porter, and W. S. Peart | 281 |
| The Effects of Thallium Salts, with Particular Reference to the Nervous System Changes. By J. B. Cavanagh, N. H. Fuller, H. R. M. Johnson, and Peter Rudge | 293 |
| Anorexia Nervosa: A Clinical, Psychiatric and Laboratory Study. By J. A. Kanis, P. Brown, K. Fitzpatrick, D. J. Hibbert, D. B. Horn, I. M. Nairn, D. Shirling, J. A. Strong, and H. S. Walton | 321 |
| Mild Familial Diabetes with Dominant Inheritance. By R. B. Tattersall | 339 |

No. 171, July 1974

| | |
|---|-----|
| Family Studies in Coeliac Disease. By M. Mylotte, B. Egan-Mitchell, P. F. Fottrell, B. McNicholl, and C. F. McCarthy | 359 |
| Metabolic Aspects of Spontaneous Rewarming in Accidental Hypothermia and Hypothermic Myxoedema. By D. Maclean, P. D. Griffiths, Margaret K. C. Browning, and J. Murison | 371 |
| The Application of Decision Theory to the Prevention of Deep Vein Thrombosis Following Myocardial Infarction. By Peter A. Emerson, Derek Teacher, and Anthony J. Handley | 389 |
| Changes in Blood Coagulation and Fibrinolysis in the Nephrotic Syndrome. By C. Thomson, C. D. Forbes, C. R. M. Prentice, and A. C. Kennedy | 399 |
| Clinical and Laboratory Study of Acromegaly: Assessment Before and One Year After Treatment. By J. A. Kanis, F. J. Gillingham, P. Harris, D. B. Horn, W. M. Hunter, A. T. Redpath, and J. A. Strong | 409 |
| Adverse Reactions to Potassium Chloride. By D. H. Lawson | 433 |
| Direct Arterial Pressure, Heart Rate, and Electrocardiogram in Unrestricted Patients Before and After Removal of a Pheochromocytoma. By W. A. Littler and A. J. Honour | 441 |
| Nephritis in Infectious Mononucleosis. By A. J. Woodroffe, P. G. Row, R. Meadows, and J. R. Lawrence | 451 |
| The Nephrotic Syndrome in Adults with 'Minimal Change' Glomerular Lesions. By J. S. Cameron, D. R. Turner, C. S. Ogg, P. Sharpstone, and C. B. Brown | 461 |

No. 172 October 1974

| | |
|--|-----|
| Intracerebral Burkitt's Lymphoma: Pathology, Clinical Features and Treatment. By I. T. Magrath, J. Mugerwa, I. Bailey, C. Olweny, and Y. Kiryabwire | 489 |
| Myopathy in Chronic Renal Failure. By M. Floyd, D. R. Ayyar, D. D. Barwick, P. Hodgson, and D. Weightman | 509 |
| Narcolepsy, and Cataplexy. Clinical Features, Treatment and Cerebrospinal Fluid Findings. By J. D. Parkes, G. Fenton, G. Struthers, G. Curzon, B. D. Kantamaneni, Barry H. Buxton, and C. Record | 525 |
| Antibodies to Candida and Autoantibodies in Sub-acute Bacterial Endocarditis. By P. A. Bacon, C. Davidson, and Barbara Smith | 537 |
| Late Onset of Respiratory Failure in Patients with Previous Poliomyelitis. By D. J. Lane, B. Hazleman, and P. J. R. Nichols | 551 |
| Hypertension with Renal Impairment: Influence of Intensive Therapy. By J. E. F. Pohl, H. Thurston, and J. D. Swales | 569 |
| Diffuse Jejuno-ileitis of Crohn's Disease. By W. T. Cooke and C. H. J. Swan | 583 |
| Plasma Testosterone in Adrenal and Ovarian Vein Blood of Hirsute Women. By R. J. Oake, S. J. Davies, M. S. F. McLachlan, and J. P. Thomas | 603 |
| The Association of Physicians of Great Britain and Ireland 1974 Sixty-Eighth Annual General Meeting | 615 |

Index

- Abnormalities of *in vitro* thyroid function tests in renal disease, 245
- Acromegaly, clinical and laboratory study of: assessment before and one year after treatment, 409
- Adverse reactions to potassium chloride, 433
- Amyloid in the thyroid, 127
- Anorexia nervosa: a clinical, psychiatric and laboratory study, 321
- Antibodies to Candida and autoantibodies in sub-acute bacterial endocarditis, 537
- Application of decision theory to the prevention of deep vein thrombosis following myocardial infarction, 389
- Arterial pressure, direct, heart rate and electrocardiogram in unrestricted patients before and after removal of a phaeochromocytoma, 441
- Association of physicians of Great Britain and Ireland: proceedings of 69th annual general meeting, 615
- Benefits of hospitalization in rheumatoid arthritis, 205
- Biliary tract carcinoma associated with ulcerated colitis, 263
- Brittle diabetes, 113
- Burkitt's lymphoma, intracerebral: pathology, clinical features and treatment, 489
- Carcinoma, biliary tract, associated with ulcerative colitis, 263
- Cardio-pulmonary function of congested lung, 215
- Cataplexy, narcolepsy and: clinical features, treatment and spinal fluid findings, 525
- Cerebral arteriosclerosis, Parkinson's disease and senile dementia, 49
- Changes in blood coagulation and fibrinolysis in the nephrotic system, 399
- Chronic renal failure, myopathy in, 509
- Clinical and laboratory study of acromegaly: assessment before and one year after treatment, 409
- Coeliac disease, family studies in, 359
- Coeliac disease, jejunal mucosal recovery in, relation to degree of adherence to a gluten-free diet, 161
- Congested lung, cardio-pulmonary function of, 215
- Crohn's disease, diffuse jejuno-ileitis of, 585
- Decision theory, application of, to the prevention of deep vein thrombosis, 389
- Deep vein thrombosis, prevention of, application of decision theory to, 389
- Diabetes, brittle, 113
- Diabetes, familial lipotrophic with dominant transmission, 33
- Diabetes, long-term, 145
- Diabetes, mild familial with dominant inheritance, 339
- Diffuse jejuno-ileitis of Crohn's disease, 585
- Direct arterial pressure, heart rate and electrocardiogram in unrestricted patients before and after removal of a phaeochromocytoma, 441
- Effects of thallium salts with particular reference to the nervous system changes, 293
- Familial lipotrophic diabetes with dominant transmission, 33
- Family studies in coeliac disease, 359
- Felty's syndrome, nodular regenerative hyperplasia of the liver in, 25
- Felty's syndrome, white-cell antibodies and the aetiology of, 187
- Glomerular lesions, 'minimal change' in adults with nephrotic syndrome, 461
- Gluten-free diet, jejunal mucosal recovery in coeliac disease in relation to degree of adherence to, 161
- Gold therapy for rheumatoid arthritis, studies of pyrimidine biosynthesis in the granulocytes of patients receiving, 231
- Hirsute women, plasma testosterone in adrenal and ovarian vein blood, 603
- Hypertension with renal impairment: influence of intensive therapy, 571
- Hypothermia and hypothermic myxoedema, metabolic aspects of spontaneous rewarming in, 371

- Infectious mononucleosis, nephritis in, 451
 Intracerebral Burkitt's lymphoma: pathology, clinical features and treatment, 489
- Jejunal mucosal recovery in coeliac disease in relation to degree of adherence to a gluten-free diet, 161
- Late onset respiratory failure in patients with previous poliomyelitis, 551
 Liver disease, mathematical models for the diagnosis of, 73
 Liver in Felty's syndrome, nodular regenerative hyperplasia of, 25
 Long-term diabetes, 145
- Mathematical models for the diagnosis of liver disease, 73
 Metabolic aspects of spontaneous rewarming in accidental hypothermia and hypothermic myxoedema, 371
 Mild familial diabetes with dominant inheritance, 339
 Mineral and trace-metal balances in children receiving normal and synthetic diets, 89
 'Minimal change' glomerular lesions in the nephrotic syndrome in adults, 461
 Myopathy in chronic renal failure, 509
- Narcolepsy and cataplexy: clinical features, treatment and cerebrospinal fluid findings, 525
 Nephritis in infectious mononucleosis, 451
 Nephrotic syndrome, changes in blood coagulation and fibrinolysis in, 399
 Nephrotic syndrome in adults with 'minimal change' glomerular lesions, 461
 Nodular regenerative hyperplasia of the liver in Felty's syndrome, 25
- Parkinson's disease, cerebral arteriosclerosis and senile dementia, 49
 Pheochromocytoma, arterial pressure, heart rate and electrocardiogram in unrestricted patients before and after removal of, 441
 Pingueculae—an association with renal failure, 281
 Plasma testosterone in adrenal and ovarian vein blood of hirsute women, 603
- Poliomyelitis, previous, late onset respiratory failure in patients with, 551
 Porphyria cutanea tarda treatment of by venesection, 1
 Potassium chloride, adverse reactions to, 433
- Renal disease, abnormalities of *in vitro* thyroid function tests in, 245
 Renal failure, an association with pingueculae, 281
 Renal failure, chronic, myopathy in, 509
 Renal impairment, hypertension with: influence of intensive therapy, 571
 Respiratory failure, late onset, in patients with previous poliomyelitis, 551
 Rheumatoid arthritis, benefits of hospitalization in, 205
 Rheumatoid arthritis, studies on pyrimidine biosynthesis in the granulocytes of patients receiving gold therapy for, 231
- Senile dementia, Parkinson's disease, cerebral arteriosclerosis and, 49
 Studies on pyrimidine biosynthesis in the granulocytes of patients receiving gold therapy for rheumatoid arthritis, 231
 Sub-acute bacterial endocarditis, antibodies to *Candida* and autoantibodies in, 537
- Testosterone, plasma, in adrenal and ovarian vein blood of hirsute women, 603
 Thallium salts, effects of, with particular reference to nervous system changes, 293
 Thyroid, amyloid in the, 127
 Thyroid function tests in renal disease, *in vitro* abnormalities of, 245
 Trace-metal, mineral and, balances in children on normal and synthetic diets, 89
 Treatment of porphyria cutanea tarda by venesection, 1
 Triglyceride storage disease, 63
- Ulcerative colitis, biliary tract carcinoma associated with, 263
- Venesection, treatment of porphyria cutanea tarda with, 1
- White-cell antibodies and the aetiology of Felty's syndrome, 187
